

Bonzer Productions Presents . . .

DIVAS & DOGS *Cabaret!*

*Remember the Ed Sullivan
Show?*

There was always a Musical Guest ...

There was always Comedy ...

There was always a Performing Animal ...

There was always a unique act or two ...

“Divas & Dogs Cabaret” has
ALL that!

Except Mr. Sullivan is replaced by the
vivacious singer, Barbara Polk.

*This show is guaranteed to bring back
memories, warm your heart and
make you laugh out loud!*

“You Gals are Great and that Dog is somethin’ else!”

The Divas.

Barb Polk & Diane Wasnak

Barb first sang in public at the age of five when she toured with the USO. Her professional singing career began in studios where she performed lead vocals on jingles and corporate music projects. A commercial voice talent, Barb created the voices on the Discovery Channel's CD-Rom for kids, "Big Job" and "Chatterbuddies", winner of the Omni Award for Children's Interactive Programming.

Diane (Pino) also began performing at the age of five, imitating whatever happened to be on the Ed Sullivan show for her Grandparents. For close to three decades Diane has toured worldwide with many credits in Stage, Film, and Television.
